## **REIKI**

Reiki is a Japanese technique for stress reduction and relaxation that also promotes healing administered by "laying on hands" and is based on the idea that unseen "life force energy" flows through us and causes us to be alive. If life force energy is low, then we are more likely to get sick or feel stress and if it is high, we are more capable of being happy and healthy. The word Reiki is made of two Japanese words "REI" meaning God's Wisdom and "KI" which is the life force energy. So, Reiki is actually spiritually guided life force energy. Sign up sheets are in the Reiki waiting room.

This series of clinics will concentrate on building and advancing intermediate skilled players. This clinic is best suited for players who have advanced well beyond the novice level.

Following the clinic, Delores Emerson will run intermediate practice time from February 13, 2017-March 8, 2017. Delores will serve as the facilitator for this practice time. Practice time will be on Mondays and Wednesdays from 12PM-1PM and will concentrate on drills introduced in the Clinic as well as other skills. Dolores can be contacted if you have a question at 443-262-2732, or email: [dfmemerson@gmail.com](mailto:dfmemerson@gmail.com)

## PICKLEBALL LADDER

Pickleball players who expect to play 4 weeks or more are encouraged to sign up for the ladder and find out how their skill levels compare to fellow players. Each week a group of four players play three games to 15 (win by one), rotating partners each game. Players turn in their total points scored for the three games which is compared to a perfect 45. Their percentage (averaged over up to 10 weeks) places them in the order for next week. Missing a week or two for any reason is acceptable as long as the coordinator is advised.

## WEDNESDAY PICKLEBALL ROUND ROBIN

Pickleball single round robin for 8-24 players. Players need to sign up by 11AM on Wednesdays. A sign up sheet will be available on the bulletin board by Monday morning. In a single round robin, each player will partner with and play against each player in their group. Each game will be 10 minutes in duration. Total games and time played will be dependent on number of players participating. This is a weekly event; no need to play each week.
